CORNELL PUMP Co.

GRAPHIC // WEB // PRINT

Innerweb Architect and Vice President of Pixel Manipulation. HTML, CSS, WordPress, Blogger, Plug-ins, Widgets, Create web pages. Make Templates. Design Adverts for print. Desktop Publish 300 page books with Perfect Bind. Create eCatalog to replace outdated PDF catalog. Distribute newsletter through google blogger for better search results and distribution. Design brochures from preexisting material. No joke, its a big company. The CEO was ranked in the Top 25 paid CEO's of 2011.

TRAINMASTER TRAIN SIMULATION

GRAPHIC // MOTION // 3-D

Create, design and implement textures, skins and logos for Union Pacific train simulation. Manage new models and skins with CMS to ensure version control. Learn from the best Train Sim modeler in the world, Tim Court. Seriously, he's a legend in the community and it was an honor to be taught 3d Design under him. His eye for detail was tremendous and it was the best thing I could pull from my time with him.

EDUCATION

LCC // Lansing, Michigan // Multimedia and Motion Graphic Design
Bay de noc // Escanaba Michigan // Fine Art
